Audubon FFA: Living to Serve in Liberia, Africa

Eight members of the Audubon FFA traveled to Monrovia, Liberia, and surrounding areas in Africa on Dec. 26, to Jan. 4. Members included Kerrigan Larsen (12), Addesyn Hocker (12), Mattie Nielsen (12), Edward Miller (12), Colton Hansen (11), Emily Foran (11), Lane Elmquist (10), and Harlow Miller (10). Audubon FFA Advisor, Mrs. Brittany Elmquist and Audubon chaperone Jason Hocker were also a part of the group. The team traveled with Barb Meister of GoServ Global and Pastor Stephen Wonbenyakeh and Florence Wonbenyakeh of Serve Africa.

Liberia lies on the West Coast of Africa with a population of over 5 million peothe impacts of two devastating civil wars, the country is one of the poorest and least developed countries in the world with an estimated 1.6 million people living below the food poverty line, and about 670,000 living in extreme poverty. Our FFA chapter has worked with GoServ Global on previous mission trips to Haiti as well as domestic relief efforts in Iowa and throughout the Midwest. GoServ Global and Serve Africa were interested in taking our team to Liberia as they are beginning to grow and serve this area and felt the trip would be beneficial to all involved.

The team and Audubon FFA chapter is very thankful for those that made this

Dec, 26. Our flights had lay-

overs in Chicago and Brussels, Belgium. We landed in Monrovia, Liberia the evening of Dec. 27. In total it was about 35 hours of travel. At the Roberts International Airport in Monrovia, we loaded in a 15-passenger van where we met our drivers and guides that we would have for the remainder of our trip. It took about two hours to reach our hotel the first night and we quickly realized the "roads" were not like we were used to.

In Liberia there are basically no laws with driving. There is no correct side of the road, streetlights, or stop signs. They use their horns for road communication. I for sure thought we were going to see cars in the ditch throughout the trip, but we didn't see one. I thought it was impressive watching our drivers throughout the whole week taking us

place to place and showing

no signs of stress. We typically were driving on somewhat paved roads or dirt roads both of which were very rough. Our team did have another vehicle that several of us would ride in and carry supplies. It took a while to get from one place to another but during this time we listened and learned from Pastor Stephen and Florence as they told us about the history, culture, and current happenings in Liberia. There was also always something to look at as the roads were full of people carrying buckets on their heads with produce, roadside markets, or bathing and washing clothes in riverbeds.

To Be Continued in Next Week's Audubon County Advocate Journal.
